Re: State Permit RF 6758
COE Permit No. 92-443

Dear Mr. Garlitz:

I thought I would drop you a line concerning your proposed boat ramp. The permit requirements are very similar for both the Army Corps of Engineers and the Division of State Lands. We need the same information that Mr. Roy Loghry requested in his letter of July 7, 1992. If you are having trouble obtaining this information, I suggest you contact Dave Obern with the Marine Board (378-1405).

Please give me a call if I can help you with this project.

Sincerely,

Bill Fujii

Permits Section
